DRY GOODS.

WHO IS UNDER?

We do not want you to get the impression that great reductions are being made in the prices of goods elsewhere and not here.

We are, as usual, below the market, and intend to stay there.

The following list embraces enough of our stock to give some clue to the rest of them. We quote articles now in great favor as low-priced goods; but in general they are not reduced. We have been there all the time.
